**Fall of Humanity Then and Now Assignment Example Topics**

Heroes are supposed to be examples for all of the people of a culture to look up to, and their exemplary deeds are what sets them apart from the rest of the people. If we were to compare two different heroes from two different cultures, we might see that what one culture finds heroic another one wouldn't. As different cultures tend to have very different ideas, these differing cultures will

**One of the most important characteristics of energy is**

One of the most important characteristics of energy is that it is conserved. The law of conservation of energy states that energy can be converted from one form to another but can be neither created nor destroyed. That is, the energy of the universe is constant. Energy can be classified as either potential energy or kinetic energy.
